**Band Director's Report: Mr. Manzi**

\*We had a great first month with 4 football games and a few more on the docket

\*Middle school night is this week with nearly 100 band students from AOMS, Valley and Calavera. Dinner will be at 5:30, we will be in motion a little earlier to give a little more time to get things ready.

\*Prop build day is on Saturday. Everything should be prepped and ready to go so there is more working and less waiting around. Could still use a few more volunteers.

\*Picture & preview day, order forms are in the works. Individual+ group shots will be available.

\*Comp season will have schedule released the Sunday before as usual. Super show will have dinner before. Some we will leave early and some we will stay for the entire show so its a little different than last year.

\*holiday Jazz schedule is filing up. Will start before the next meeting.

\*Winter drumline and guard, schedule is finalized and is up.

\*Day trip this year will be Knotts Berry Farm. The kids overwhelmingly voted for this. Friday May 19th

\*Snap raise last day is tomorrow. We were hoping for 25k and we have just about hit that.
