## Band Senior night at Football Game September 13, 2019

Each senior class group that participates at our football games will be honored BEFORE the varsity game at different games during the season. This allows the focus to be on that individual group rather than a large group of seniors that takes 25 minutes to read. **The band senior night will be Friday September 13th.**

Here is how the evening will work:

6:15pm- Senior parents and students will meet in large open area just next to concession (near the gate where the band enters the field).

6:30pm- We will line up in alphabetical order and wait in the faculty seating area of the stadium (under the scoreboard) until the JV game is complete

\*\*\*As soon as the JV game concludes, we will move to the 50 yard line and students will be announced. You will walk down the 50 in between two lines of the band. I will have students fill in the script below.

**“Our next senior is John Smith a 4 yr Trumpet player with the Marching Lancers. He is escorted on the field by Jack and Mary Smith.”**

After this is complete, we will move into the endzone away from the teams warming up to take a senior group photo and any individual photos. We will only have a few minutes to do this as we have to get the seniors back into the block to do the “walk around” before the tunnel/banner. Couple of special notes

\*Parents must pay admission into the game (with the exception of those with field passes to help at halftime at the games).

\*Only parents can escort students onto the field. If you need someone to watch younger siblings during this, we will have parent help who can watch them on the side lines during the announcing.

It's been a pleasure working with this senior class the last 4 years and I am excited to honor them this evening.

-Mr. Manzi
