February 5, 2020

Attendees:

Peter Manzi, TJ Jeremiah, Cindy Benoit, Tricia Fairbanks, Hooman Mohammadpour, Cathy Jane, Stephanie Roberts, Simba!

Call to Order: 7:04 PM

- President
 - Since we don't have the quorum attendance, we cannot approve meeting minutes or treasurer's report.
- Treasurer's brief:
 - Treasurer's brief is given by TJ on behalf of Sally.
 - ~~We still have shortfall of about \$6000 on the budget.~~
 - ~~If we cannot meet the year budget, all scheduled plan will still move forward but will have to make a cut in next year's programs.~~
 - ~~Suggested to have the budget Thermometer in weekly communication as a reminder to parents~~
 - Correction and Clarification Made by Sally On March 11,2020:
 - Please note the Treasurer's Budget and Forecast report dated February 4th did NOT show a net deficit of \$6,000. That was the forecasted ending balance for just the month of June. What should have been reported was the total amount in next column over: \$3,609 forecasted net revenue for the entire year. And no, we didn't need to and shouldn't have put out the donation thermometer in the eblast a few weeks ago.
- Director Peter Manzi Report:
 - Drumline and Guard will hit the road in a week and half as they're getting ready for competition season.
 - Transportation crew (Jason, Art) are ready
 - Great oaks Temecula is a day event and students should come back home by 5:30. However if they qualify, they may return the next day.
