2023 DRILLMASTER ORDER

To complete our uniform provided by the school district, each student needs a pair of BLACK Drillmasters. Drillmasters have a custom rolled heel to assist in smooth marching across the field.

Returning students may wear their pair from last season, or purchase a new pair (\$40).

New members need to purchase a new pair (\$40), or we have a small amount of used shoes we can loan out.

If you are unable to purchase these shoes, please contact Mr. Manzi so that appropriate arrangements can be made to assist in the purchasing of the shoes or finding a pair of used drillmasters. You will be able to make this purchase during our registration evenings the first week of band camp.

***Students will be able to try on sample shoes during uniform fitting the first week of band camp to ensure the correct size is purchased.**
