### PHOTO INFO FOR 2024

\*Gone are the days of remembering to write a check and send the envelope in with your child on photo day! Yary photography is going to take an individual photo of EVERY student. These individual photos will be added to our private album online which will include the group and section photos. Once uploaded, you'll be contacted by e-mail and can go online and order. Additionally all photos will be mailed to your house.

\*If you'd like more than one individual photo taken of your child, you can pay \$5 for more. That is the only cost needed to turn in that day. (We will not be doing "buddy" photos as we take section photos you can order in that spot)

**\*On the envelope, your child will receive this week, you'll just need to add the email you want your access code to be sent to. No money needs to be submitted unless you want the extra individual photos to be taken.**

### VOLUNTEER PUSHER MEETING @ 6:20

\*Are you new to the Marching Lancers and want to help out at competitions... Are you a returning parent who loves the adrenaline of helping us set up/take down during competitions... then pushing is the thing for you. If you'd like to help AT ANY show this season, please meet with Patrick and Cristi Labbe on the track to learn what we do so you feel prepared to help on competition day.

### PREVIEW PERFORMANCE @ 6:30

\*We need YOU and everyone you know to come out to see a preview of our 2023 competition show Wonderland. Just be in your seat by 6:30pm and be ready to be amazed at the GREAT things our musicians are doing on the field. We'll practice cheering SO LOUD the judges have to give us points and make sure you are prepared to cheer us on! The students haven't the full show in performance so please help us give them this full uniform/prop/timing run to prepare them for Saturday!!!
